# PERRY'S.

Don't overlook the special sale of Handkerchiefs. We are offering values, as the result of a large purchase, that you will find it next to impossible to duplicate.

Perhaps the next four busiest spots in the store at this time are the Gloves, Umbrellas, Leather Goods and Jewelry. For the reason why—consult the attractions each are holding out to buyers of sensible gifts.

Everybody knows what our Gloves are. The famous makings of famous makers.

Everybody knows what our Umbrellas are. The trustiest that can be bought—the most unique that can be made.

Everybody knows what our Jewelry is—novelty useful, in worthwhile qualities. Don't cost much—but they are all right to give.

Everybody knows what our Leather Goods are—the popular conceits of fashion and convenience—at really low prices.

You want to get right close to the counters to appreciate what big offerings we are making—to realize that your best shopping can be done along these lines—among these dainties.

Every \$1.25's worth of Gloves will be put in a fancy box, free.

We will engrave, free, the name or initials on all metal-mounted Umbrellas bought of us.

We will stamp, free, with name or initials, every Pocket Book or Card Case costing \$1 or over.
